

更智慧 更舒适

CAMPO DE' FIORI has been actively researching international industry trends, art and interior decoration trends, and exploring the new Italian lifestyle. Perfectly fusion of "Italian original" and "German craftsmanship" with an original technique, adhere to the three principles of "Functional", "Seating Comfort" and "Health", to create world-class functional household products suitable for Chinese people, making home and work space more practical and comfortable.

CAMPO DE' FIORI originated from the beautiful flower square Campo de' fiori in Italy. It is a symbol of wisdom, beauty, freedom, art and fashion. As a leading home furnishing brand well-known in Europe and American, CAMPO DE' FIORI emphasizes people-oriented. The products have a high degree of flexibility and diversity in configuration and function, and always provide consumers with comfortable enjoyment.

“

CAMPO DE' FIORI

is an Italian lifestyle innovator.

Committed to human sitting and lying

health research, specializing in the

creation and research and development

of full leather furniture products for

living room and bedroom ”
